

# Xpertek® Transfer Pipets with Filter Tips

Cobert Associates

Product Bulletin

Save time and money by using Cobert Associates' Xpertek® Transfer Pipets with Filter Tips. Eliminates the need for syringe filters and disposable syringes by drawing sample, filtering and transferring samples in one convenient product. Excellent for filtering particulates from dissolution samples.

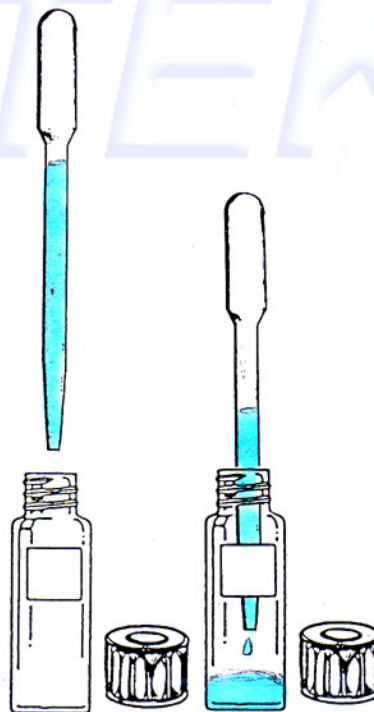

**FILTER**

Draw sample from test tube into Xpertek® Transfer Pipet.

**CAPTURE**

Remove filter tip.

**TRANSFER**

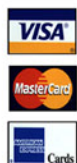

Filtered sample is ready to insert into vial.

**RUN SAMPLE**

Sample is ready to run. No other steps needed.
